BREEDERS' CUP JUVENILE FILLIES TURF: CRYSTALLE 14-1 (Vic Chandler, 12-1 with others)

Crystalle's form was given a tremendous boost as her PG Johnson runner-up, Sweet Melania, ran out a wide margin winner of the Jessamine Stakes at Keeneland just now.

Everything points to Crystalle being a far superior filly, and she has looked something special in her races to date. She is also an improving runner, with a big chance at Santa Anita

14-1 is way too big a price for this talented contender.

Best regards,
